

# 3D Miniatures Cocktail Shaker

1  
Cut each die A - E once. Cut the optional X embellishments as desired.

2  
Form the body by mountain folding along the vertical lines of the B die cut. Stick the base (A die cut) onto the bottom using the tabs.

3  
Fold up and assemble the upper section of the body (die cut C). Stick the long section onto the small tabs to secure.

4  
Stick the body sections together to create the full body of the Cocktail Shaker.

5  
Add the neck (die cut D) onto the top of the shaker, wrapping it around and onto the tabs.

6  
Assemble the lid by mountain folding the vertical lines and sticking the top onto the tabs.

# Cocktail Shaker

Mat the lid onto the Cocktail Shaker to finish. Add your chosen embellishments as desired.
