

A Touch of Nature

What You Need:

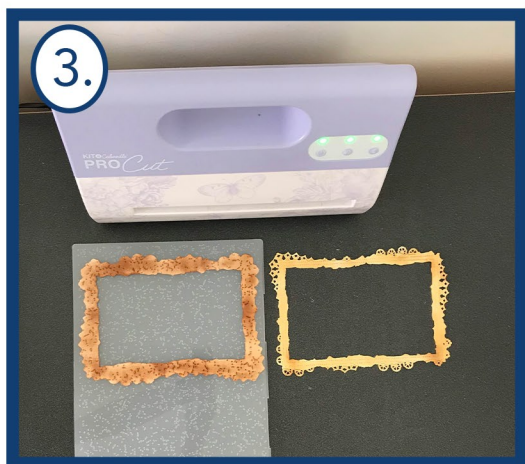

- * A Touch of Nature Frames
- * 569061 A Touch of Nature Botanical Poppy & Daisy Border die set
- * 569078 A Touch of Nature Cardstock
- * 566934 A4 Embossing Folder Crumpled
- * 566932 A4 Embossing Folder Handmade Paper
- * A Touch of Nature USB
- * White cardstock
- * Tim Holtz Distress Ink pad, Vintage Photo and Scattered Straw

Cut, score and fold white cardstock to create a 21cm x 15cm tent card. Using the Rectangle die set, place die No. 1 slightly over the fold and cut to create the shaped card. Ink around the edges with Vintage Photo.

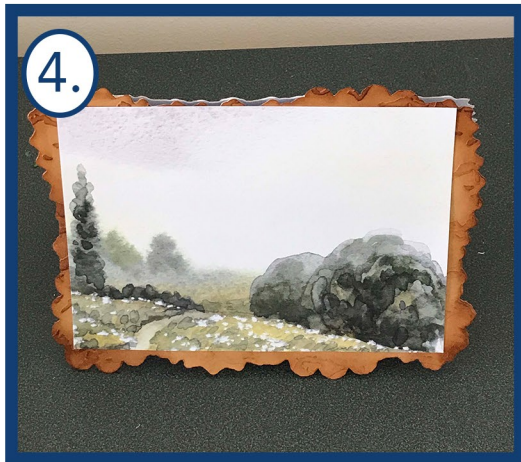

Cut No.1 into Sand cardstock from the Cardstock Collection. Emboss with the Crumpled folder and ink around the edges with Vintage Photo.

Cut two frames, using No. 1 and No. 4, and No. 2 and No. 3, both from white cardstock. Emboss with the Handmade Paper folder for the larger frame. Ink around the edges of the first frame with Vintage Photo and the remaining frame with Scattered Straw.

A Touch of Nature

Cut an 18cm x 12.5cm scene from the Backing Papers USB and stick into the centre of the card.

Using the Poppy and Daisy dies, cut two from each of the Charismas.

Stick a set of daisies onto the card with 1mm foam tape. Stick the poppies onto the card with 1mm tape. Snip into a few of the poppies to allow you to tuck behind the daisies. Snip out a few flowers from the rest of the die cuts and decoupage onto the card.

Stick the frames onto the front of the card with 2mm foam tape and you're done!
