

Antique Bobbin Craft a Card

1. Using the Antique Bobbin Craft a Card die set, cut one base card from your chosen cardstock.

2. Cut into the left end of the card base with your chosen decorative frame. For example, Frame 3. Then score and fold to create a card shape.

3. Using the nested frames in the Antique Bobbin Craft a Card die set, cut from your chosen colours and decorate the card. For example mat and layer onto the inside back of the card with foam pads. You could also cut one Frame 7 and mat behind the decorative front of the card.

4. Using the embellishments in the Antique Bobbin Craft a Card die set, cut from your chosen colours to decorate the card. For example, using Plaque 4 and matting Plaque 2-1 onto Plaque 2-2.

Here's a little more inspiration to show different ways of using the Antique Bobbin Craft a Card die set.
