

Antique Flora Card

1. Cut a piece of background vellum slightly smaller than the card blank and stick this on with a small piece of double sided tape underneath the centre only.

2. Roll two opposite corners of the vellum and stick the decorative corners onto the card blank where the vellum has been rolled.

3. Using red super sticky double sided tape, stick a piece of lace across the card as shown.

4. Cut a 10cm square piece from the textured white card and mat this onto the card using foam tape/pads securing two opposite rolled corners of the vellum.

5. Using foam tape/pads mat a pre-cut decorative square onto the card as shown.

6. Layer the four decoupage flower pieces using foam tape/pads onto the card as shown.
