

Baby Shoe

1
Cut the shoe pieces from your chosen cardstock.

2
Form the toe by folding in the tabs of the arched piece. Stick onto the sole of the shoe.

3
Stick the heel onto the shoe and secure using the tabs on the bottom.

4
Bend the strap around the shoe and secure on either side. Tip - use hook and loop on the thinner end to allow the shoe to open and fasten if desired.

5
Stick the button onto the strap to finish.
