What you need to do:

1 Using the Scene Stepper die and cut your card base from cream cardstock. Fold and construct following the instructions on the packaging. Lightly ink the edges of your card base with the Distress Ink.

2 Cut the Rock a Bye Baby die from white cardstock. Use alcohol markers to colour it in, tailoring your colours to the gender of the new arrival, then add glitter details to the flowers as shown. Next, cut the Mini Branch die from white cardstock and colour to match. Mat the Mini Branch onto the right side of the card as shown.

3 Using the Scene Stepper matting and layering dies, cut three pieces of pink gingham backing paper and mat from pink cardstock for them to go onto. Glue together and mat onto your card base as shown. Cut a rectangle of pink card to stick inside the back of your card.

4 Use strong glue to stick your die cuts in place on your card base, positioning the baby die in the centre of the aperture.

5 Stamp or print your sentiment onto white card. Using the Essentials hearts dies, cut it into a heart and cut a mat from pink for it to go onto. Mat together and mat onto the front of the card, as shown.

6 Finish by adding a bow to the sentiment and adhesive pearls to the front and side panels of your card.
