STEP 3

Cut a piece of background to approx 5" x 5" and attach to lilac and then green card, trimming to leave a small border on each edge on both layers. Wrap a piece of co-ordinating ribbon around this and secure at the back with double sided tape.

STEP 4

Place the background section onto a 5 3/4" white card base and use 3D foam to place your butterfly topper towards the top left of the card front, overlapping the ribbon.

STEP 5

Place your coloured flourish over the ribbon to the right of the butterfly.

STEP 6

Finish with a ribbon bow secured in place with a glue dot on the back, using a glue dot will hold the flourish in place too.
