

Easter Inspiration

Print and cut out all of the elements. Cut along solid lines and score along dotted lines. Tuck the diagonal fold to the inside of the box to create the corner, secure in place with double sided tape. Attach the handle and decorate as required to make your Easter Basket.

Follow Easter Basket instructions and fill with tissue paper. Cut out your flowers and glue to the tissue paper to create a flower basket.

Print and cut out all of the elements. Fold the stand along the dotted lines and secure the centre panels together to form the stand. Attach to the back of the basket and add the decoupage layers. Decorate as required.

Follow Easter Basket instructions and fill with your favourite chocolates or sweets for a fun Easter treat.

Easter Inspiration

Use the flags to create mini bunting for your Easter Card and hang across the corner.

Cut along solid lines and score and fold along dotted lines.
Secure with glue on the tab to create your Carrot Box.

Fold the Bunting pieces along the dotted lines and use double sided tape to stick the sides together.
Punch holes in the top corners and thread onto your favourite ribbon to create your Bunting.
