Happy Easter

Happy Easter

by Michèle Marsden

Shopping list:

- White Card stock
- Glitter
- Foam Pads

You will also need glue

What you need to do:

1 Using white card stock 12inch by 6inch and fold down the middle to create a 6inch square card.

2 Cut 1inch away from both sides of the front of the card. Fold the front in half to create an Easel Card.

3 Cut a mat from one of the paper designs 5.75inch by 5.75inch and stick to the inside of the card.

4 Cut a strip of white card 0.75inch wide by 6inch long. Cut one of the borders from the sheet and trim at 6inch. Mat and layer then stick with foam pads onto the inside of the Easel Card to create a stopper bar.

5 Cut a mat of patterned paper 3.75inch by 2.75inch and mat it onto the front of the card.

6 Mat the topper onto white card that is 0.25 bigger all the way around. Using foam pads attach the topper and elements to the front of the card. Attach the sentiment to the stopper bar.

7 Finish off with some glitter adding pretty highlights.

Back the topper
with card to give
it more substance.
