

Envelope

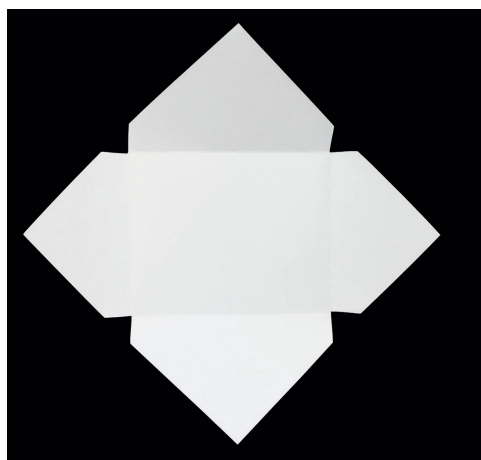

1. To create an envelope for your card take the 6 1/2" piece of white paper.

2. Using the envelope template on the back of the Tattered Lace Score Board, line up one edge of the paper on the ruler level with 3" mark and score a line.

3. Rotate the piece of paper 90 degrees, to the next corner and line up one edge of the paper on the ruler level with 3 5/8" mark and score a line, rotate the piece of paper 90 degrees, to the next corner and line up one edge of the paper on the ruler level with 3" mark and score a line, rotate the piece of paper 90 degrees, to the next corner and line up one edge of the paper on the ruler level with 3 5/8" mark and score a line.

4. Trim away the triangles as shown.

5. Fold in on each score line.

6. Stick the bottom flap onto the two side flaps to form your envelope.
