

Fancy Easel

1
Cut two of the card shape, two of the fancy ovals, and a panel from your chosen cardstock.

2
Valley and mountain fold one of the card shape die cuts as shown.

3
Stick the die cuts together to create the card base.

4
Stick one of the fancy ovals onto the card to create the card front.

5
Stick the remaining fancy oval onto the bottom of the card.

6
Stick the panel onto the base of the card to create a stopper for the easel.

Top tip:

There are plenty of ways to make cards using this die set – see sample images on the Tattered Lace website for more inspiration and ideas.
