

Greatest of Them All

1 Cut out the pieces as shown.

2 Score and fold the tabs on the large card sections.

3 Use the smaller slit die to cut the slit into the sloped sections of the card.

4 Use the larger slit die to cut slits into the large sections of the card.

5 Use the tabs of the large sections to stick them together.

6 Attach the first sloped section on the card, using the tab of the higher end and slotting the end of the slope into the corresponding slit.

Greatest of Them All

Attach the remaining sloped section in the same way to finish the card as shown.
