

# Halloween Box

**Uses:**

**570844 Pumpkin die**

**570870 Trick or Treats die set**

1. Cut a 30cm x 10cm rectangle from black cardstock. Score at 2.5cm, 12.5cm, 18cm, and 28cm across.
2. Cut a piece of black cardstock to 15cm x 10cm. Score at 2.5cm in from each side. Snip into the corners and score on two opposing sides to make two small tabs on each. Fold up and stick to create the box base.
3. Fit the base into the centre section of the long piece and secure.
4. Cut two 9.5cm squares from patterned cardstock and two 9cm squares from kraft card. Ink around the kraft squares with black ink. Stick together onto the front and back of the bag.
5. Using the Pumpkin die, cut the Pumpkin from the USB Charisma and the mat from black cardstock. Using the Trick or Treats die set, cut the pumpkin bag from the free Charisma download.
6. Fold up the bag halves and decorate using the die cuts. Punch holes through the top and tie together using ribbon or string.
