

HOW TO MAKE THE MINI SIDE STEPPER

What you'll need:

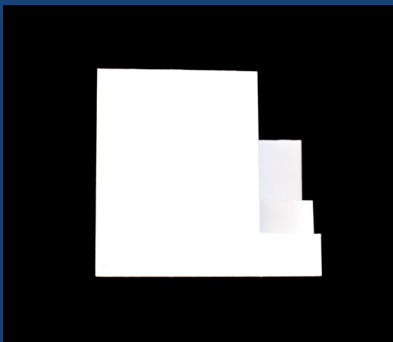

- ETL44 Essentials by Tattered Lace®
Mini Side Stepper die set
- Your chosen cardstock

1. Using the Mini Side Stepper die set, cut the side stepper from your chosen cardstock.

2. Fold the largest score line and the first small one into a mountain fold.

3. Alternate the rest of the score lines into valley and mountain folds as shown.

4. Using a bone folder burnish the folds. Decorate as required.
