

ITALY

The choice of color on the walls should be based on the use of the room. Hallways that are in the entry hall and the stair halls are to be painted a somber gray so as not to compete with the surrounding rooms.

For interior colour choice and placement, use either the theory of "harmony by analogy", i. e., the colours that lay next to each other on the colour wheel, or the "harmony by contrast", i. e.,

Dear Anne!
Thank you to usual for your letter
brought. Dear Sophie
not in
one hour. In June we've been traveling a lot. We've seen
Paris, Barcelona, Madrid and Porto. Europe
is the real really busy and the people are so different!
I love you
near you
