

HANDBAG 1

TEMPLATE INSTRUCTIONS

Designs are for illustration purposes only.

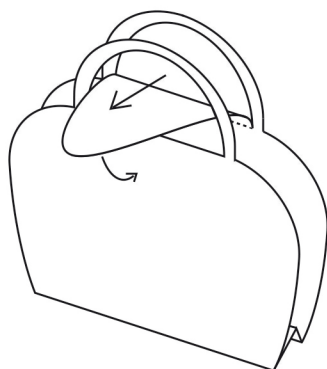

Step 1

Print out the Handbag on to card. Cut along solid lines and score and fold along dotted lines.

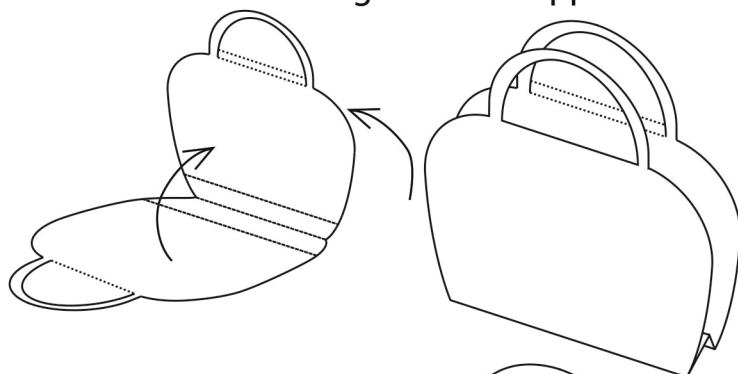

Step 3

To secure the two sides together push the handle tab through both of the handles.

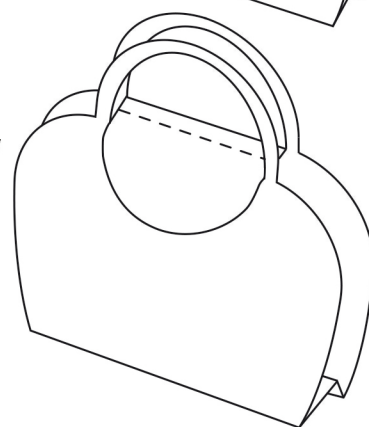

Step 2

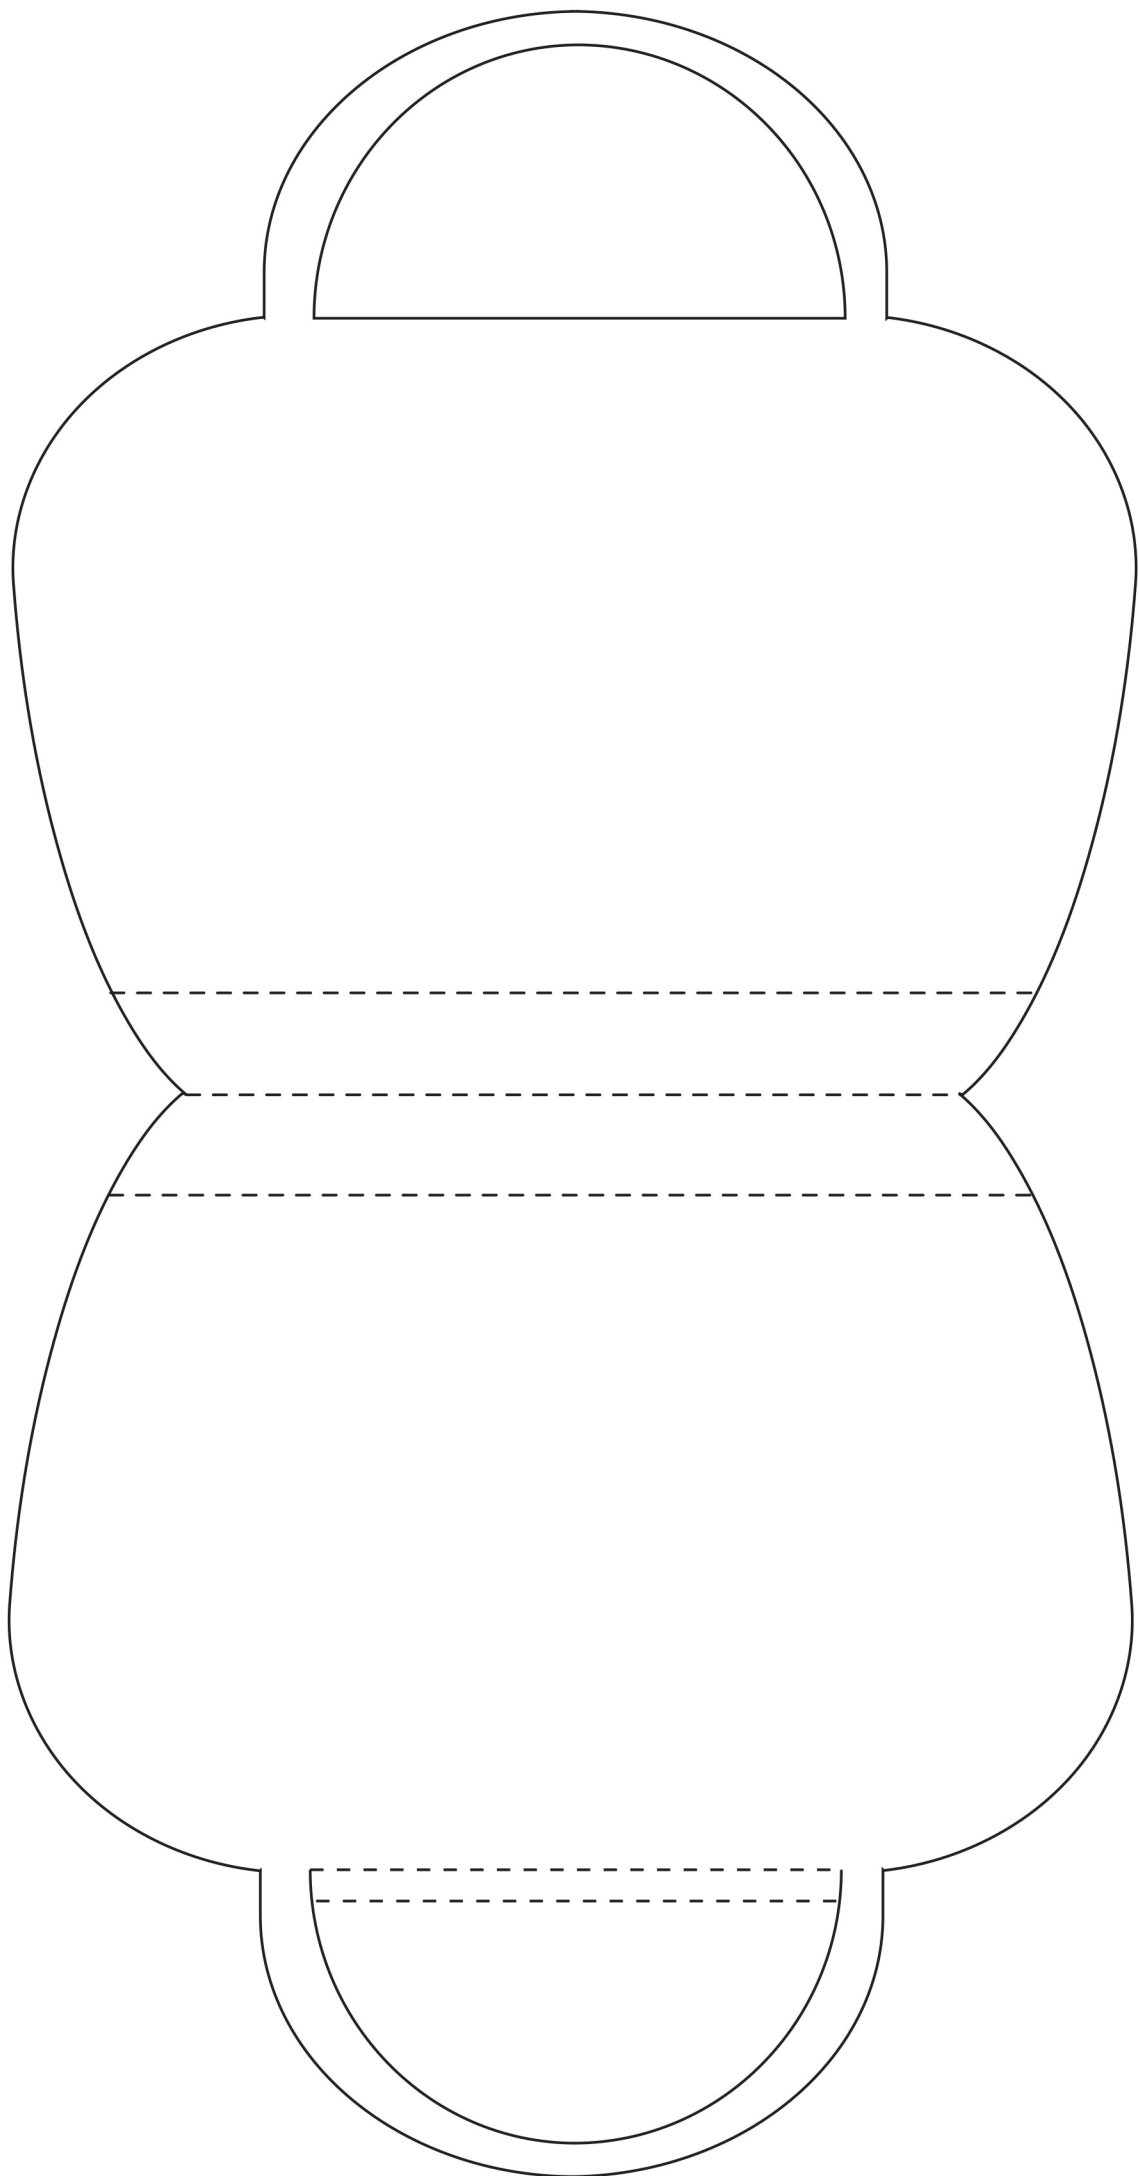

Fold up the sides of bag. The base of the bag is folded like a ziz-zag for extra support.

Step 4

The handbag is now ready to decorate and embellish as required.

Just To Say

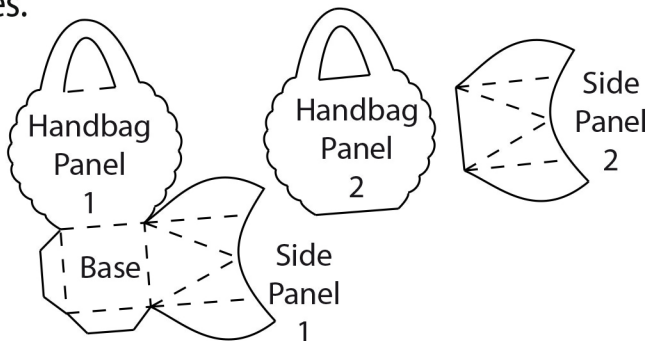

HANDBAG 2

TEMPLATE INSTRUCTIONS

Designs are for illustration purposes only.

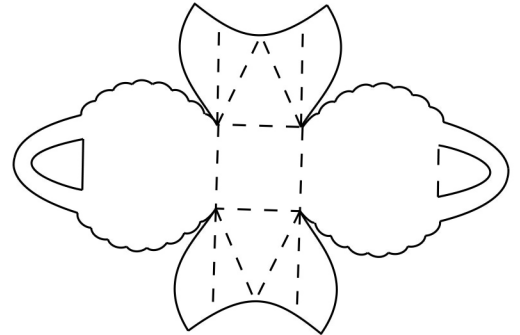

Step 1

Print out the Handbag on to card. Cut along solid lines and score and fold along dotted lines.

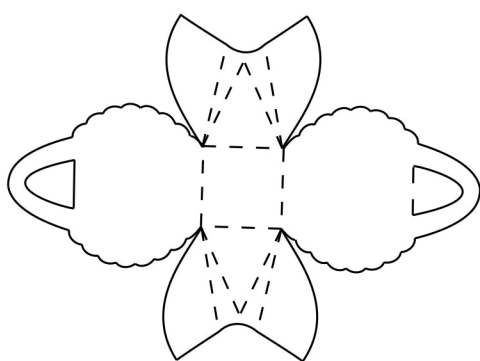

Step 2

Use double sided tape to stick Handbag Panel 2 to the Base Tab and Side Panel 2 to the Base Tab. Make sure that they are stuck to the back so they are on the inside of the Handbag.

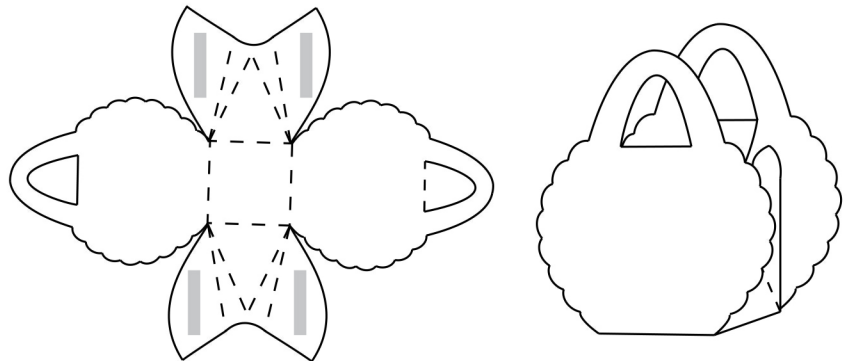

Step 3

Fold the Side Panels along the score lines to create mountain folds on the straight lines and valley folds on the diagonal lines.

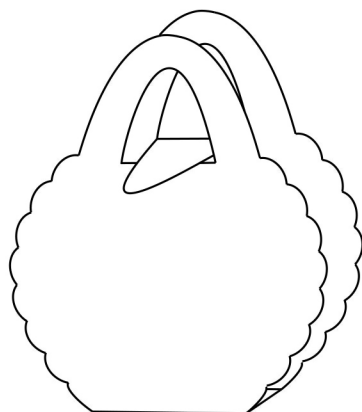

Step 4

Place double sided tape along the curved sections of the Side panels and stick these to the inside of the Handbag Panels.

Step 5

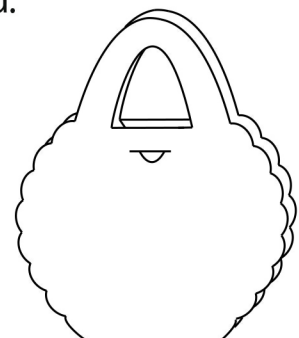

Slot the Tab on Handbag Panel 1 through the Handle of Handbag Panel 2. Your Handbag is now ready to decorate and embellish.

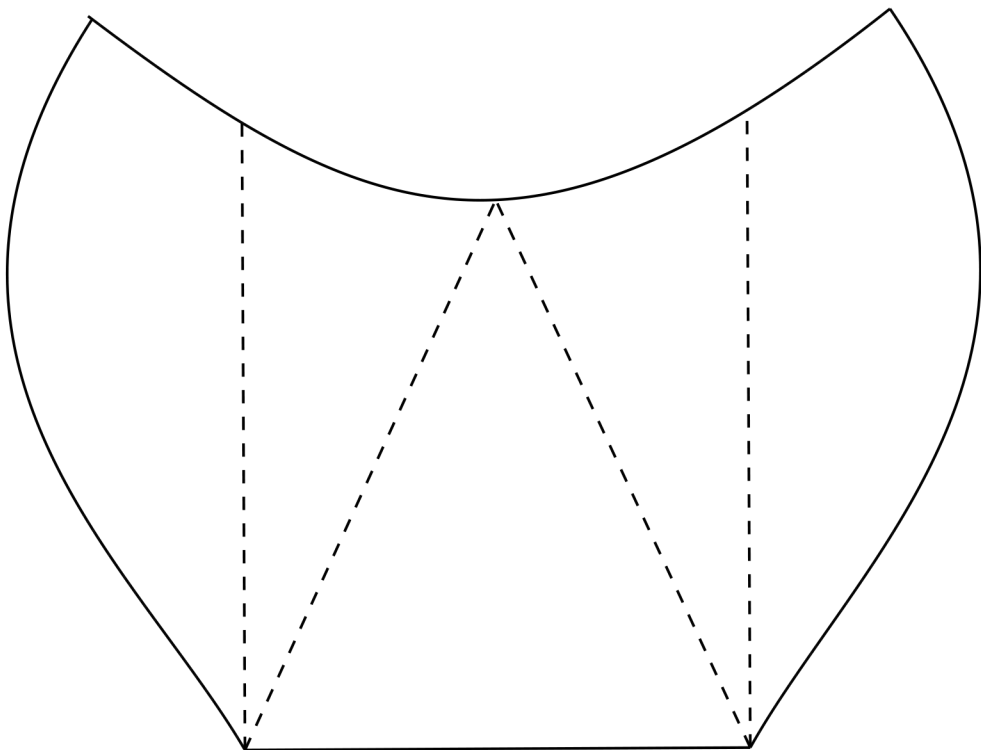

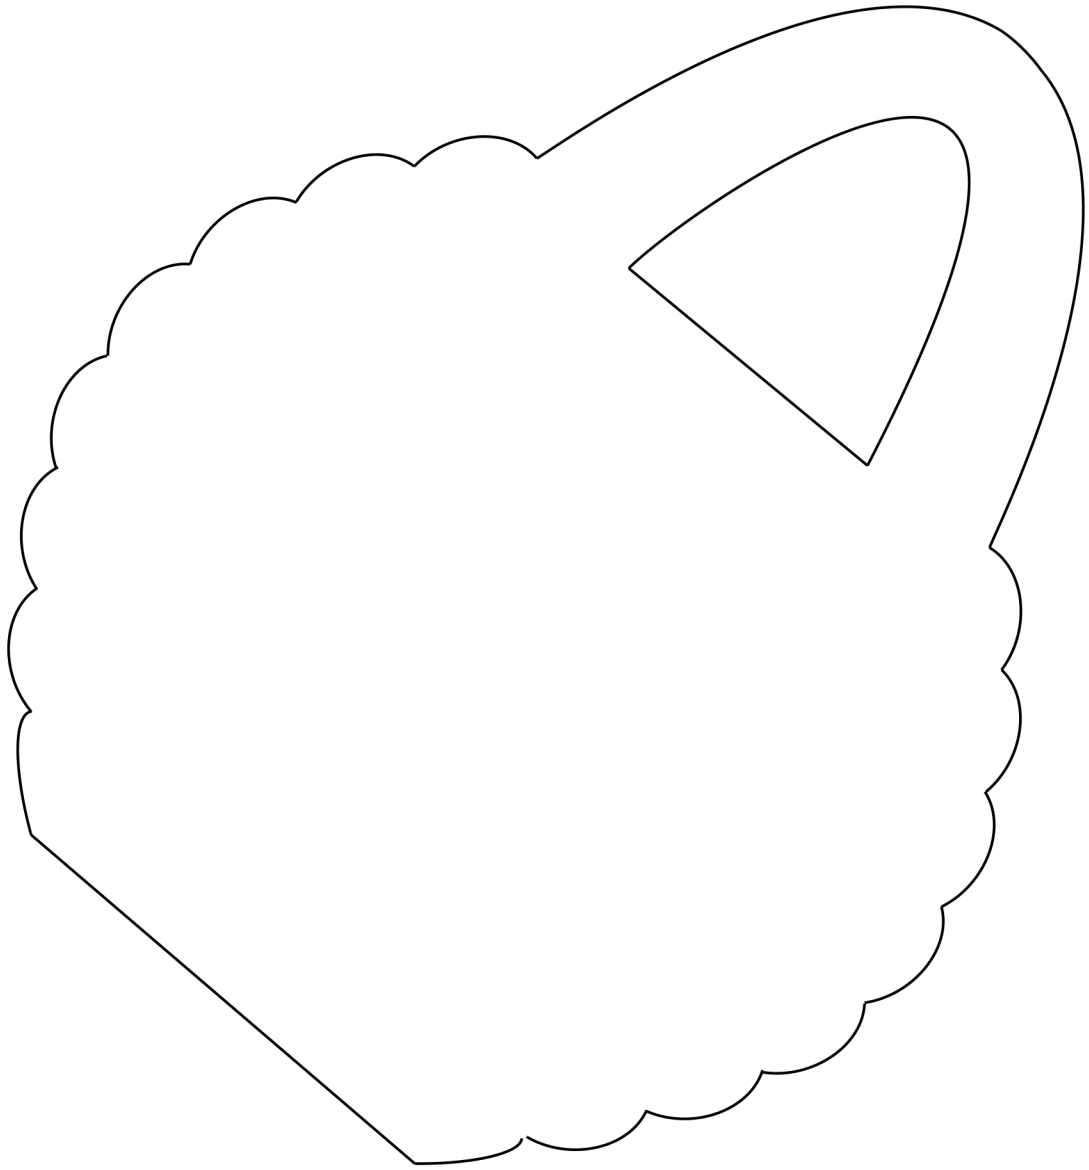

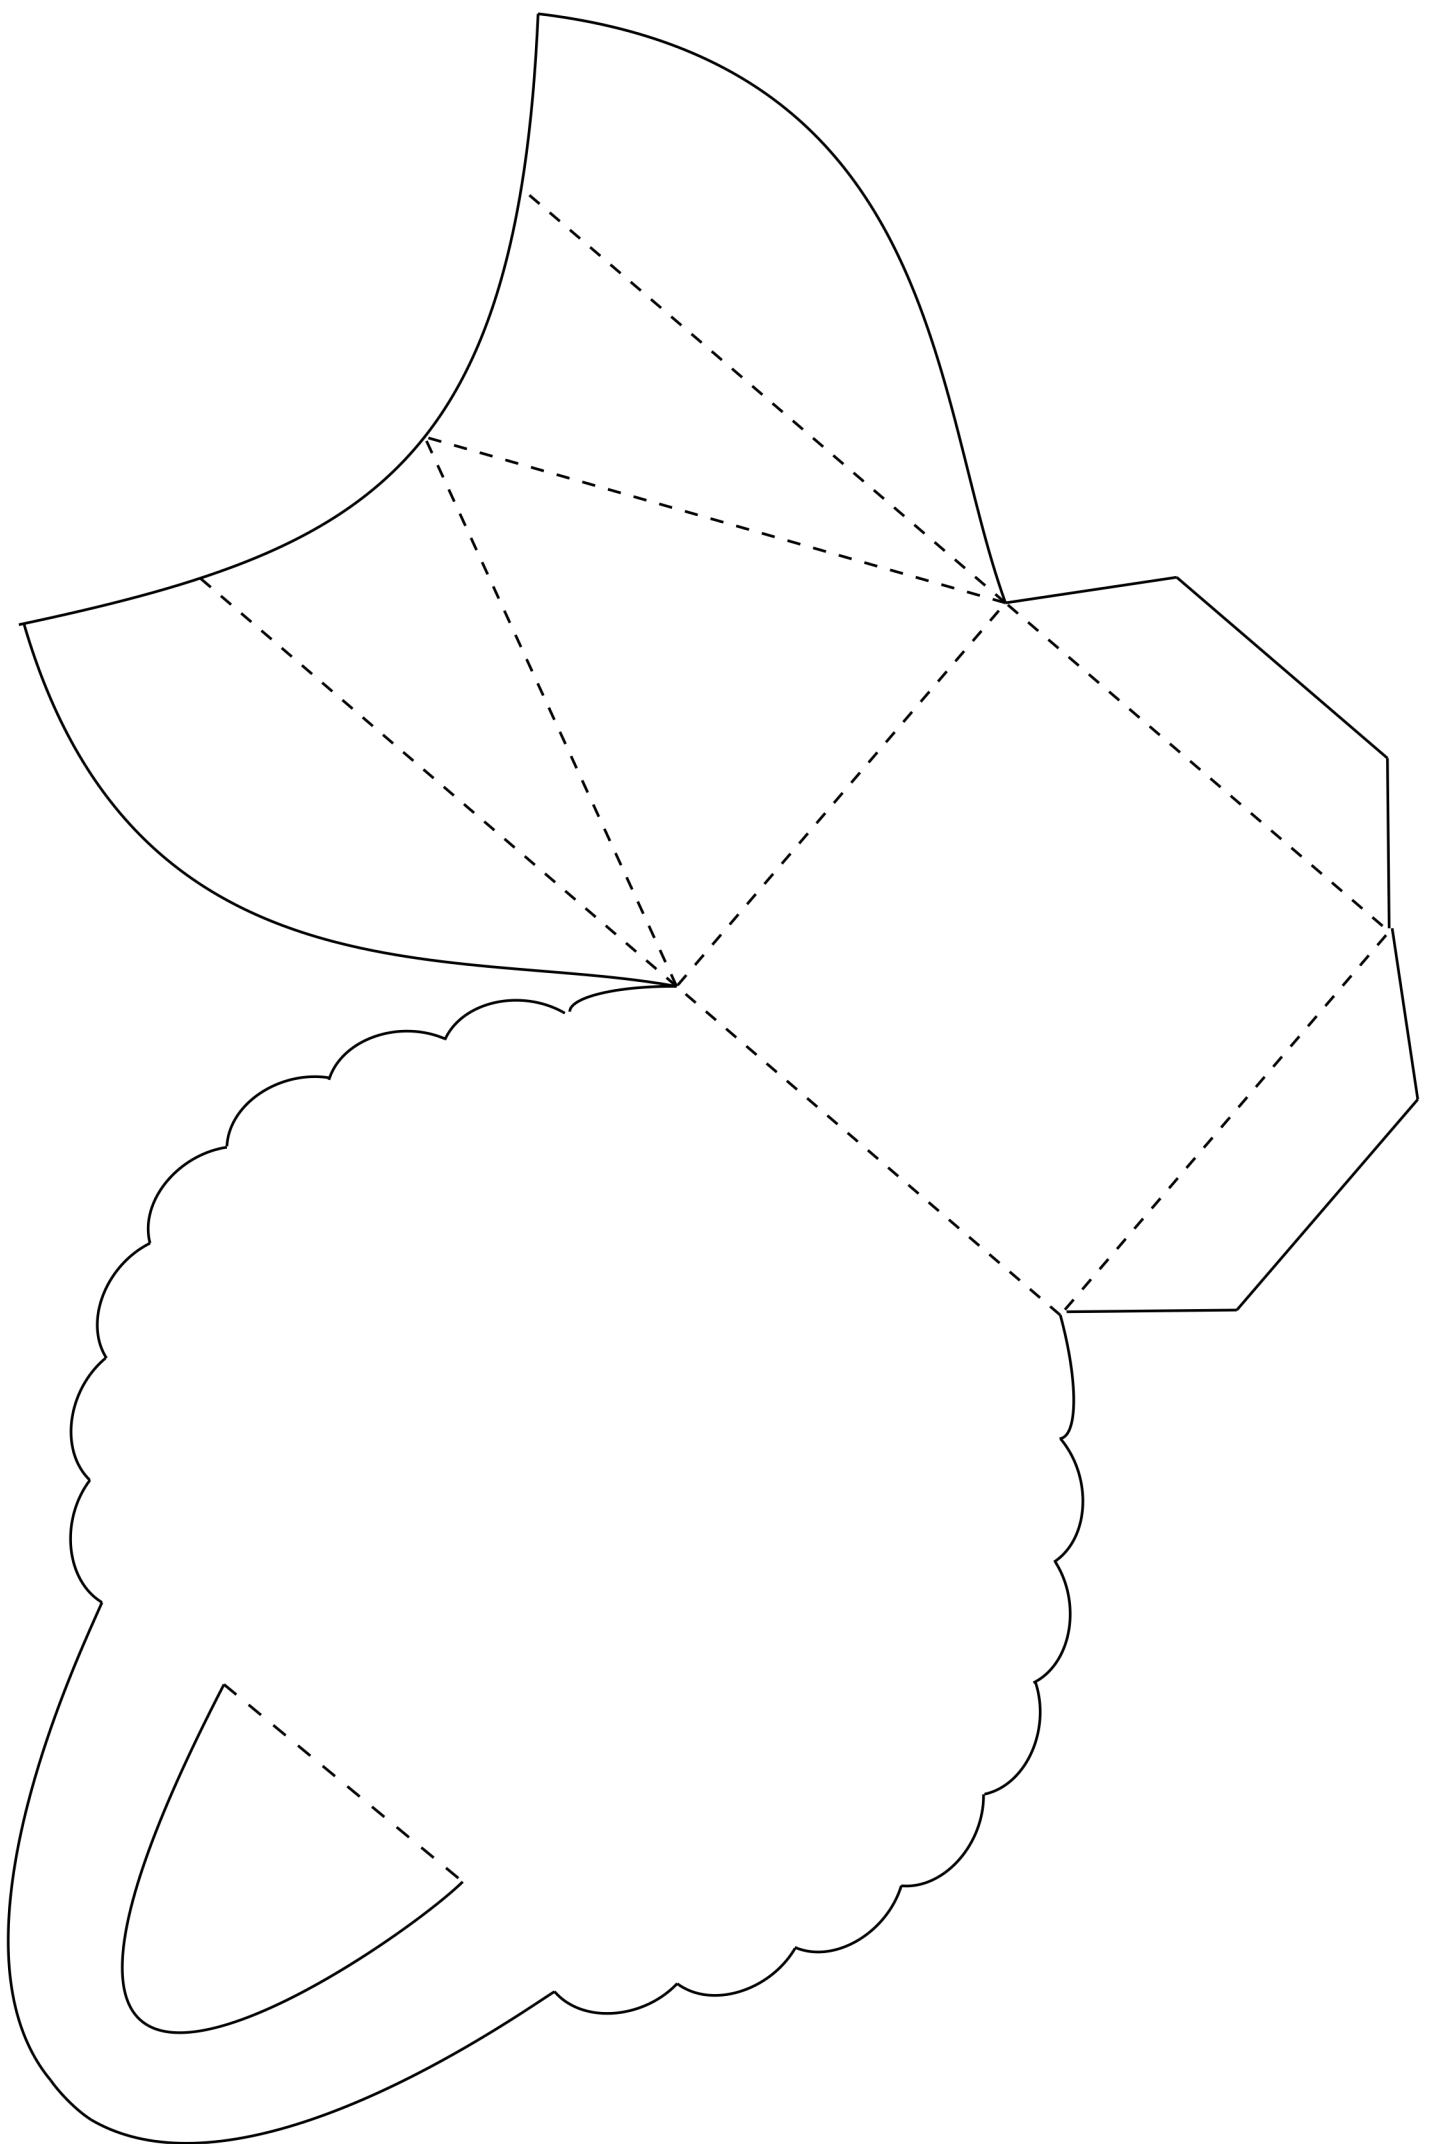

Top Tip

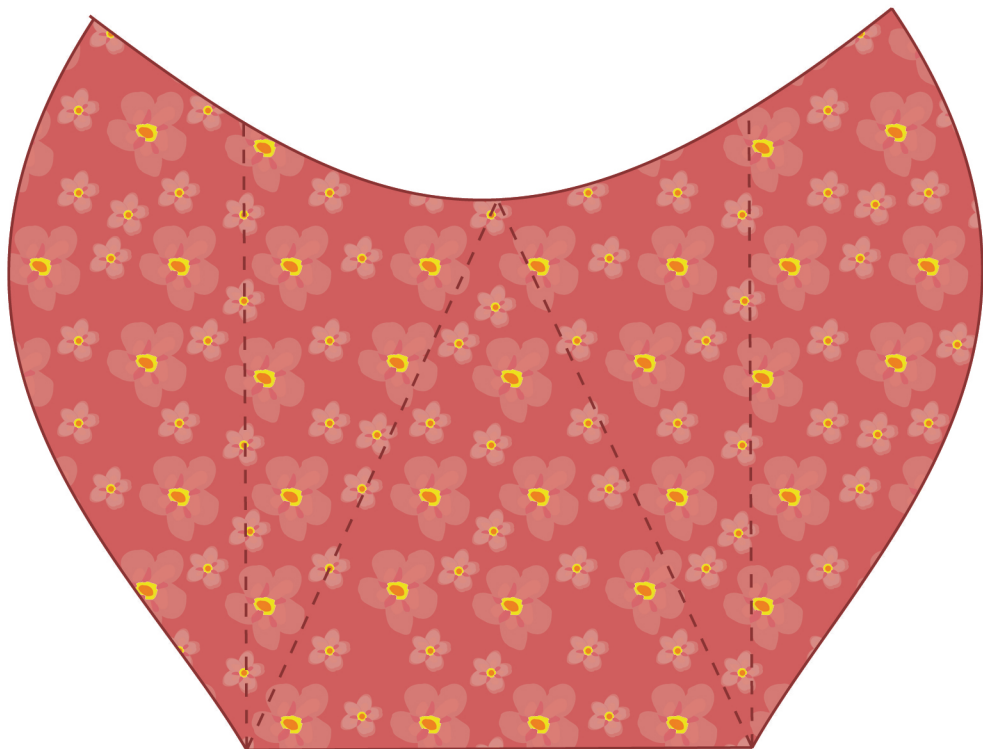

Use a velcro dot to under the Tab to hold the Handbag closed.

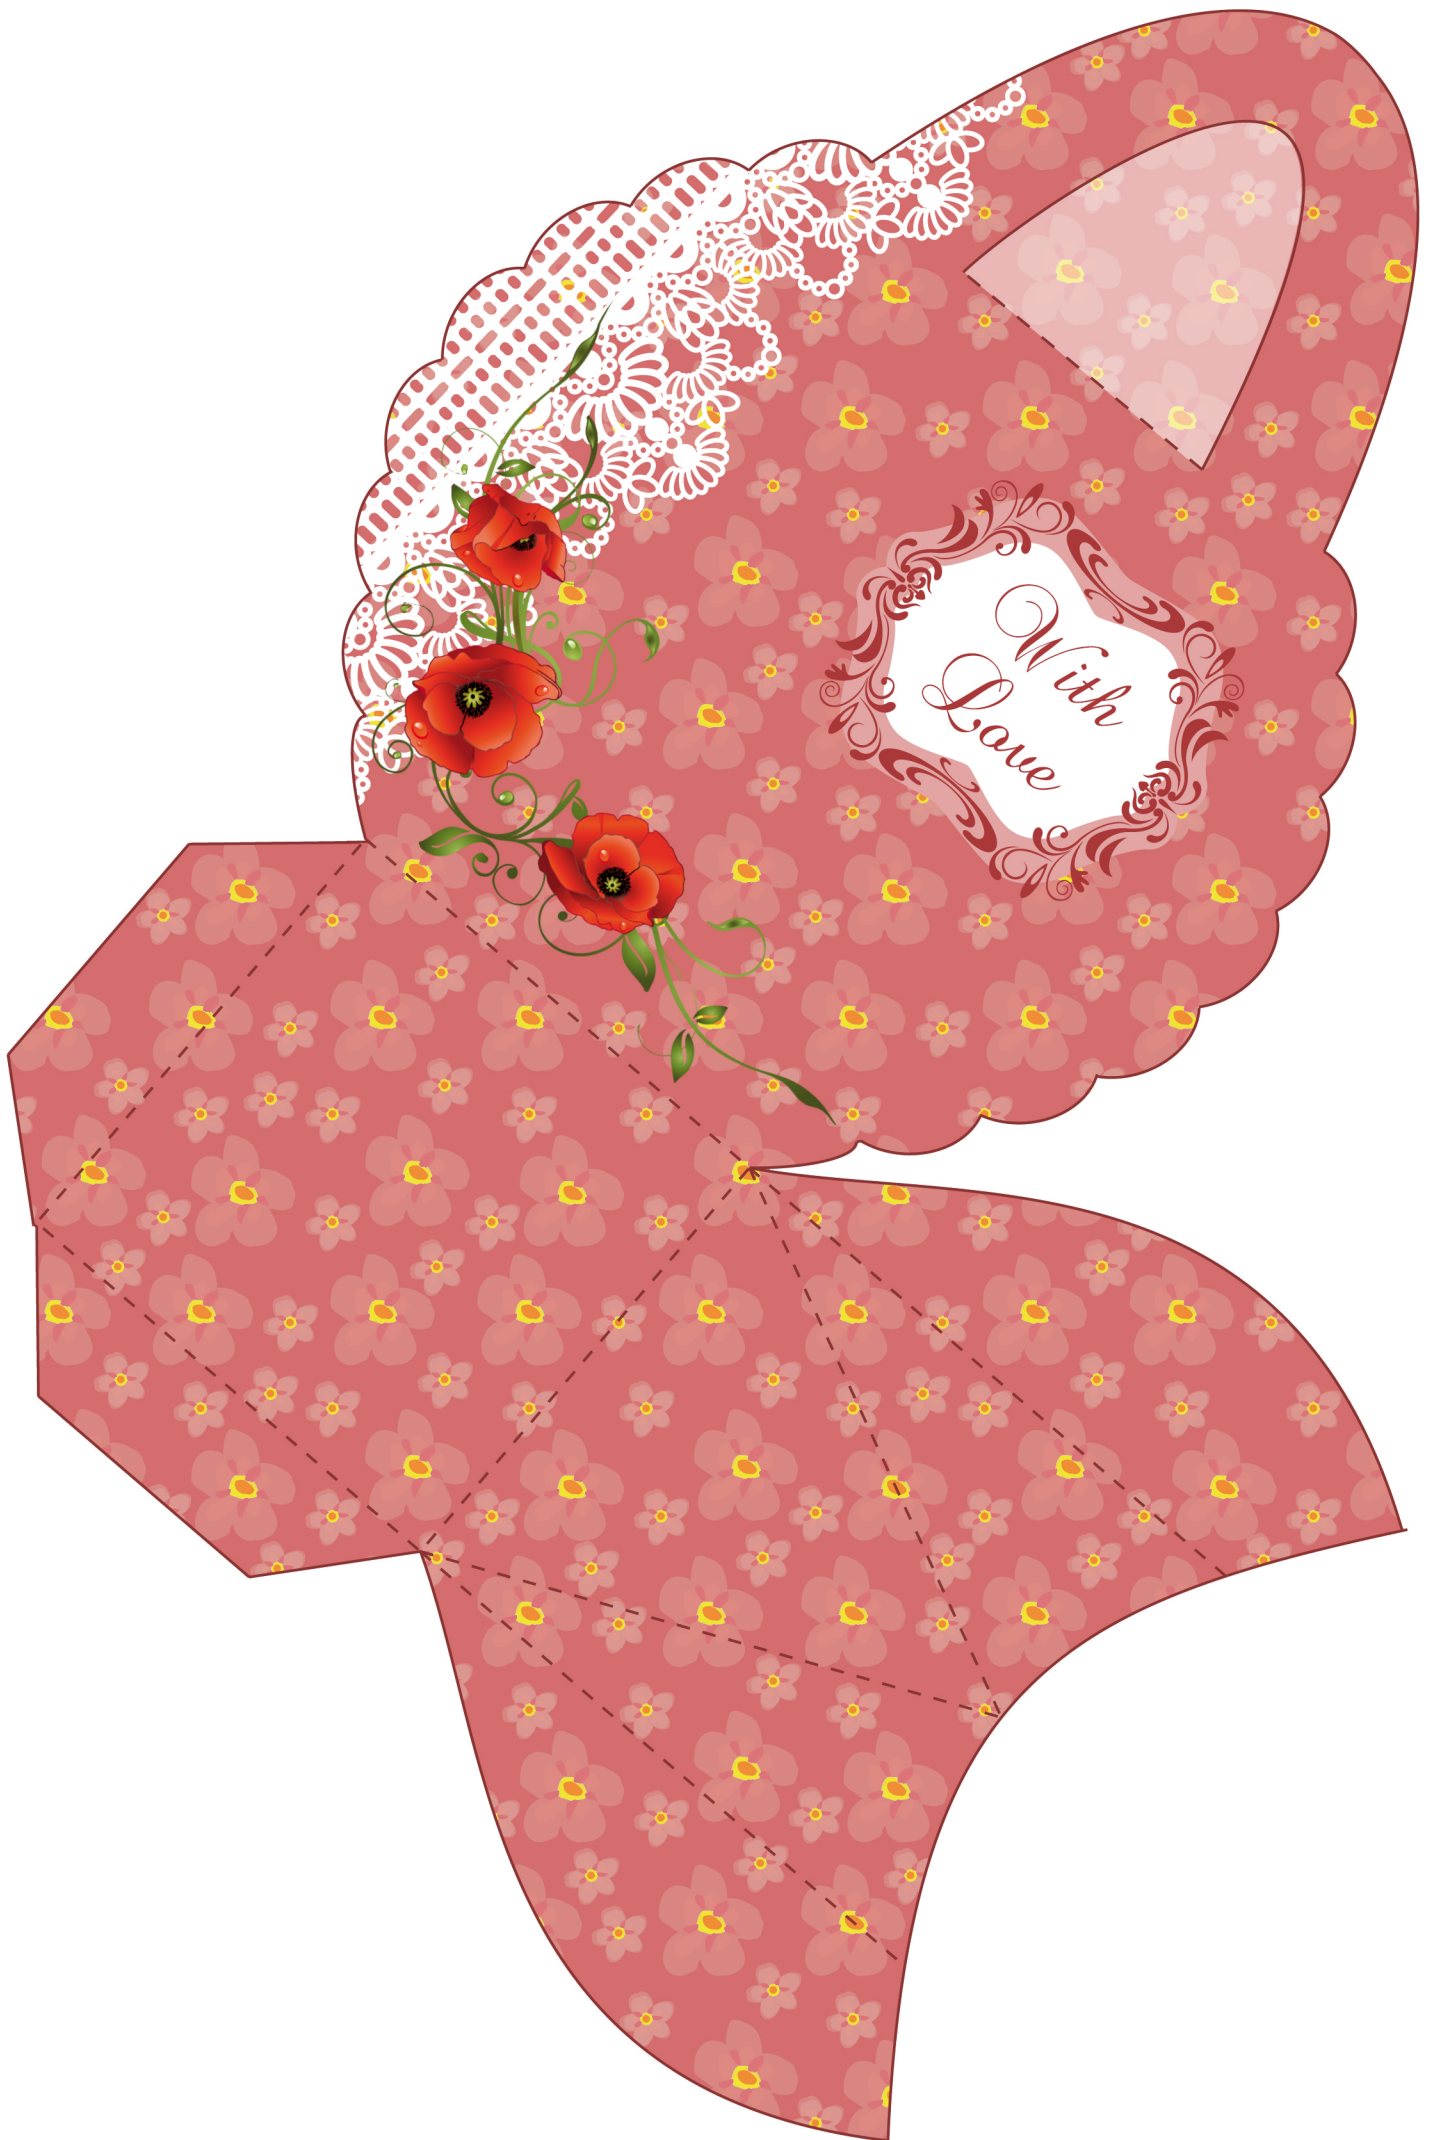

Alternatively create a slit at the top of the Handbag and slot the tab through to hold the Handbag closed.

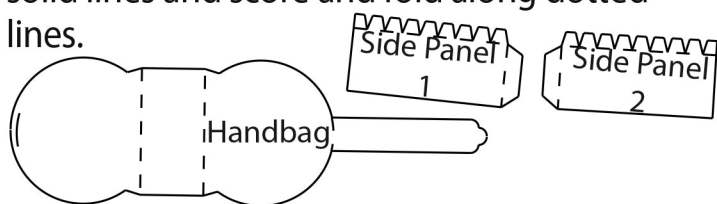

HANDBAG 3

TEMPLATE INSTRUCTIONS

Designs are for illustration purposes only.

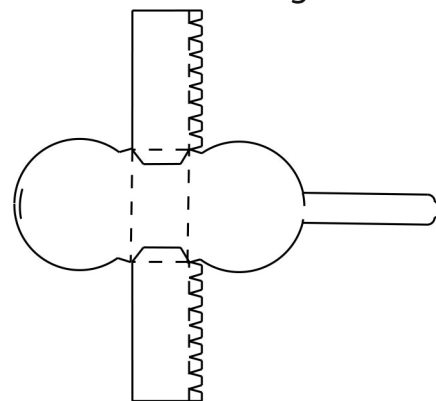

Step 1

Print out the Handbag on to card. Cut along solid lines and score and fold along dotted lines.

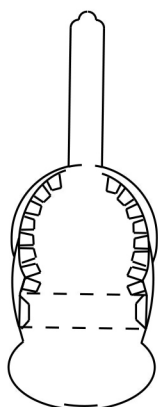

Step 2

Use double sided tape to stick the Tabs on the Side Panels to the centre edges of the Handbag.

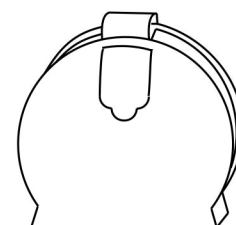

Step 3

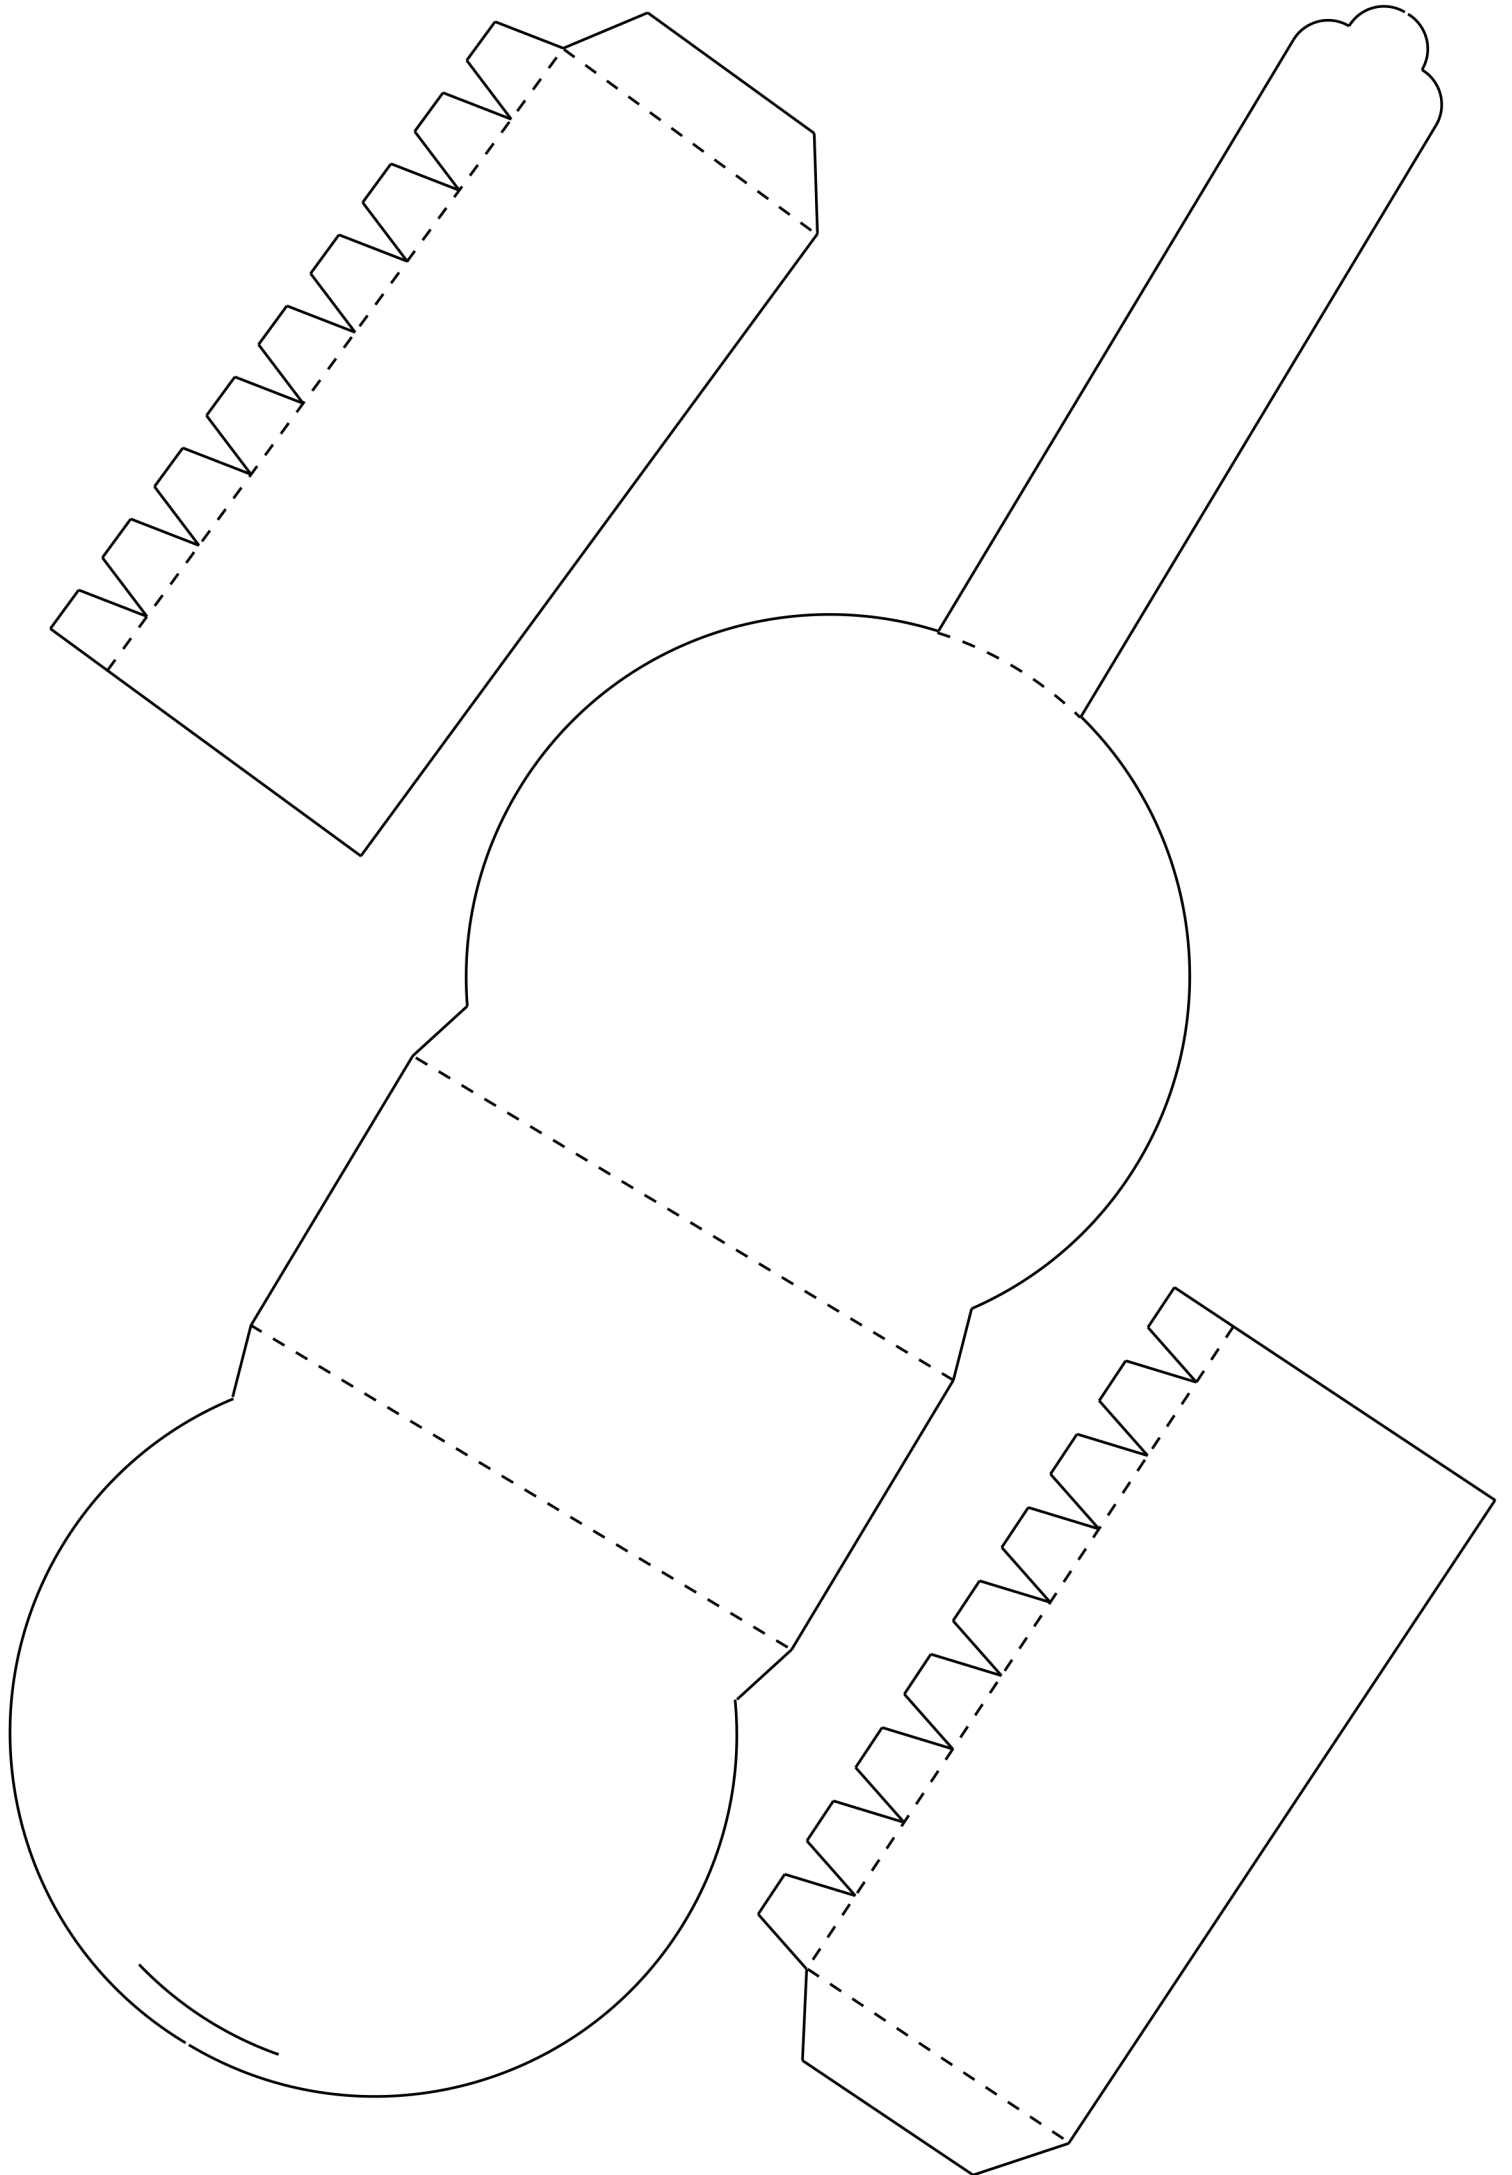

Stick the small Side Panel Tabs to the inside Panels of the Handbag on both sides.

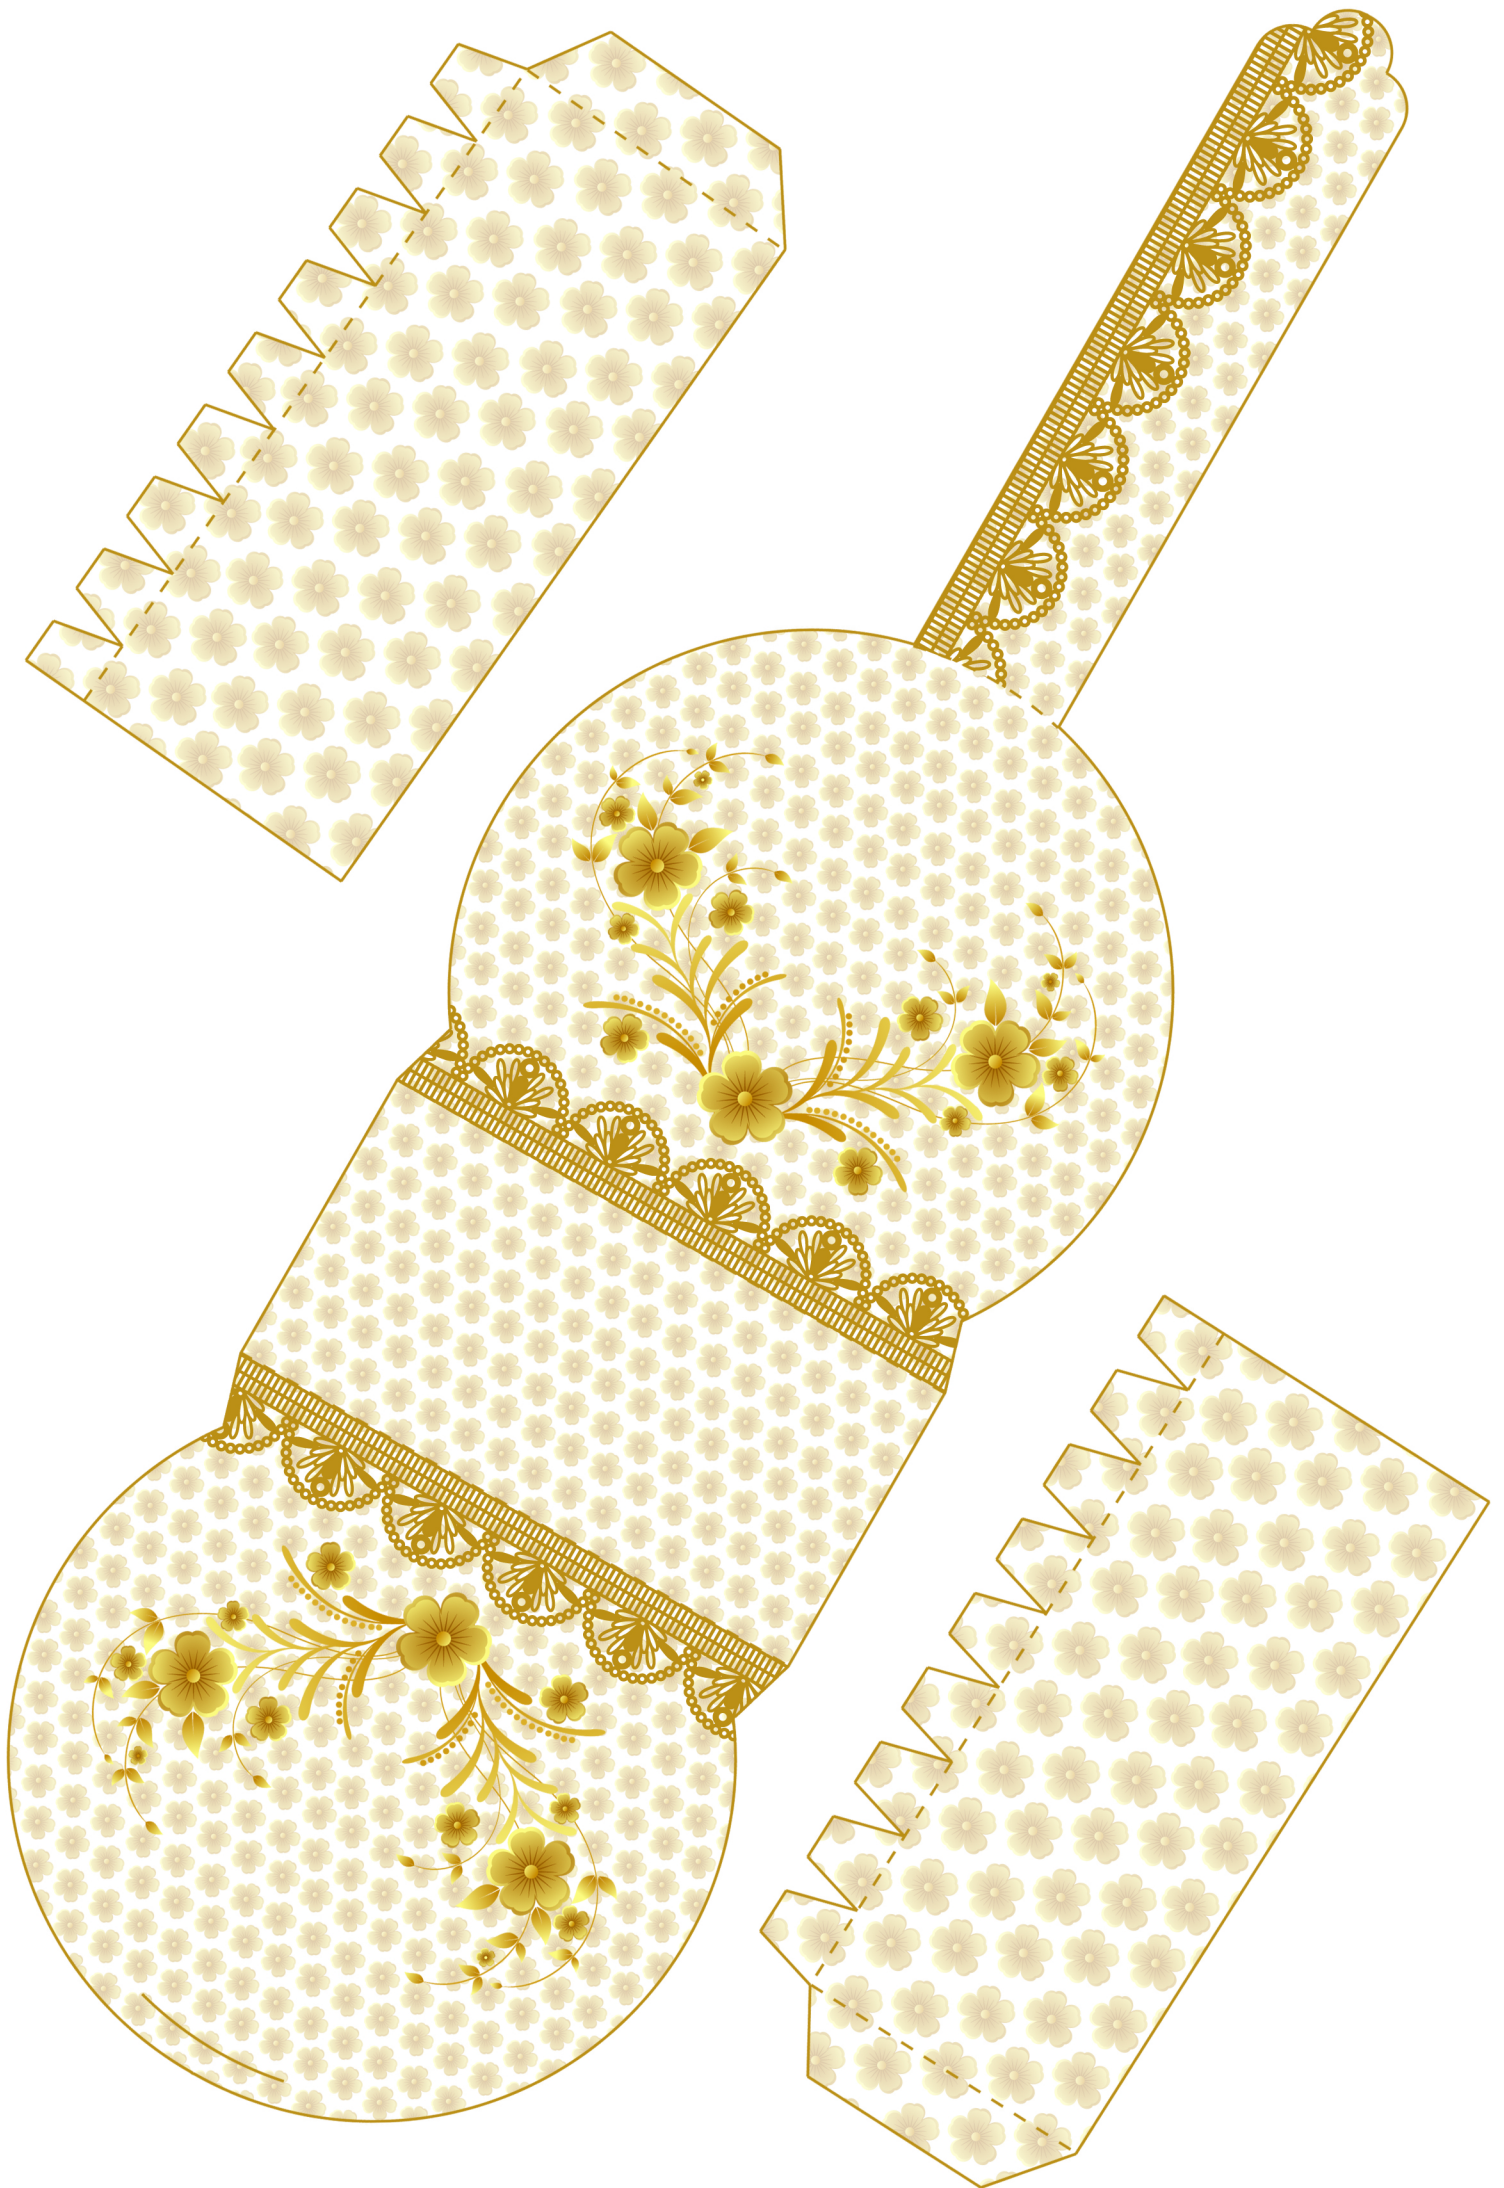

Step 4

Fold the Handbag closed then slot the Tab through the Slit to hold it in place. Your handbag is now ready to decorate and embellish.

HANDBAG 4 INSTRUCTIONS

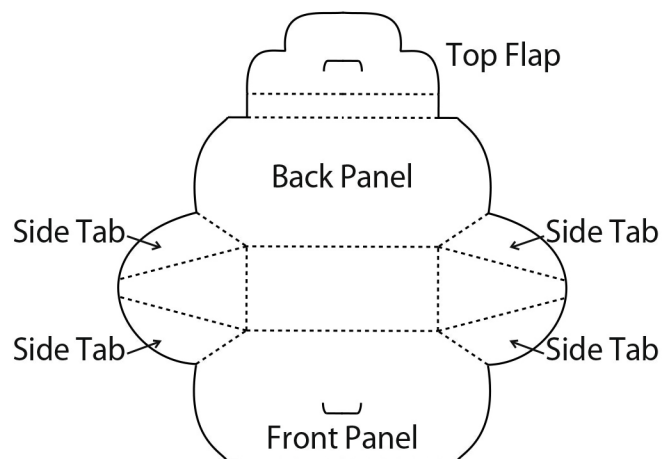

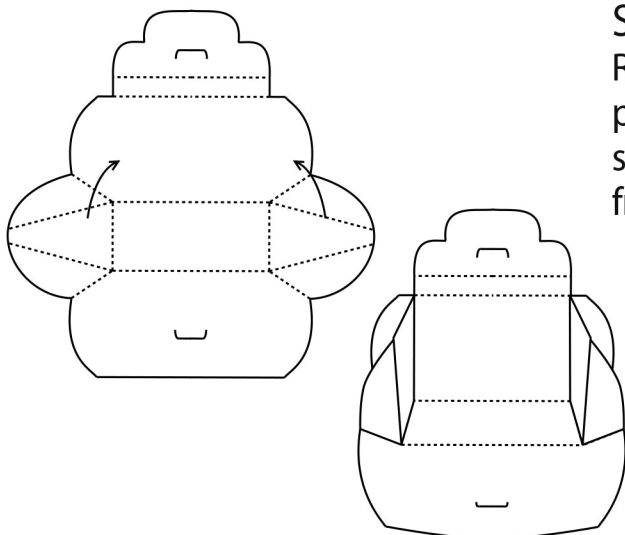

Designs are for illustration purposes only.

Step 1

Print out the Handbag on to card. Cut along solid lines and score and fold along dotted lines.

Step 2

Place glue on the side tabs attached to the back panel and fold and stick to meet the curved edges. This creates the base and makes it dimensional.

Step 3

Repeat Step 2 using the side tabs attached to the front panel, lining up the curved edges. To close the bag simply slide the tab on the top flap into the slit on the front panel. Decorate and embellish as required.
