

Lucky Labels

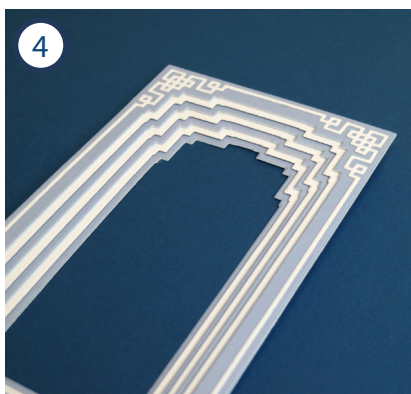

1
Cut the largest mat to create a card base. Cut the smaller mat several times with descending sizes of inner mats.

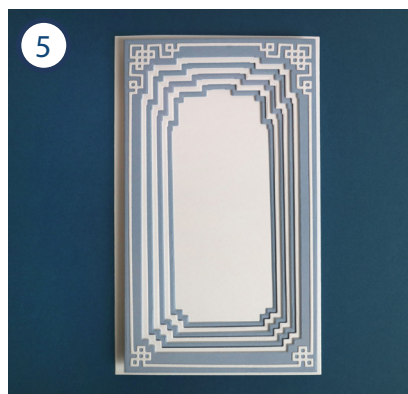

2
Cut the Frame from your chosen cardstock. Mat onto the layer with the largest inner mat.

3
Mat and layer together in descending order, using foam tape to add extra depth to the layers.

4
Continue until you have the desired depth and number of layers.

5
Mat onto your card base.
