

Magic Moments Slider Card

1. Using the Magic Moments Slider Card die set, cut Slider Card Front and the aperture die together from complimentary backing paper.

2. Using the Magic Moments Slider Card die set, cut Slider Card Back/Inside from complimentary backing paper.

3. Using the Magic Moments Slider Card die set, cut the insert from complimentary backing paper and stamp a sentiment into the centre.

4. Slot the insert into the back/inside piece as shown. Using the Magic Moments Slider Card die set, cut the tab from complimentary backing paper and Pull from white cardstock.

5. Using the Magic Moments Slider Card die set, cut the floral spray twice with corresponding decoupage pieces from the free Charisma download. Mat and layer together.

6. Assemble the slider card and mat the floral pieces onto the front. Add a length of white ribbon and a bow to the card front, decorate with pearls to finish.
