1. Download and printout out the Mini Bird Cage Front and Back template.

2. Cut out and trace the Mini Bird Cage Front template onto kraft cardstock. Cut out and trace the Mini Bird Cage Back template onto cream cardstock and backing paper. Cut on the solid lines and score on the broken lines.

3. To create the front of the bird cage, die, line up the Delicate Gate die with the broken lines and cut into the front, on both sides to create the bird cage gates.

4. Ink around the edges of the front of the card and highlight with copper gilding wax.

5. To create the back of the card, mat the backing paper onto the cream back, ink around the edges with Vintage Photo. Sandwich a length of lace ribbon between the front and back of the birdcage and mat together with foam pads.

6. Using the Holly and Robin die set, cut the Robin from brown, kraft and cream cardstock. Using the brown die cut, paper piece with the kraft die cut and trim out the wing from the cream die cut. Mat onto the robin with foam pads. Ink around the edges of the robin and mat behind the gates.

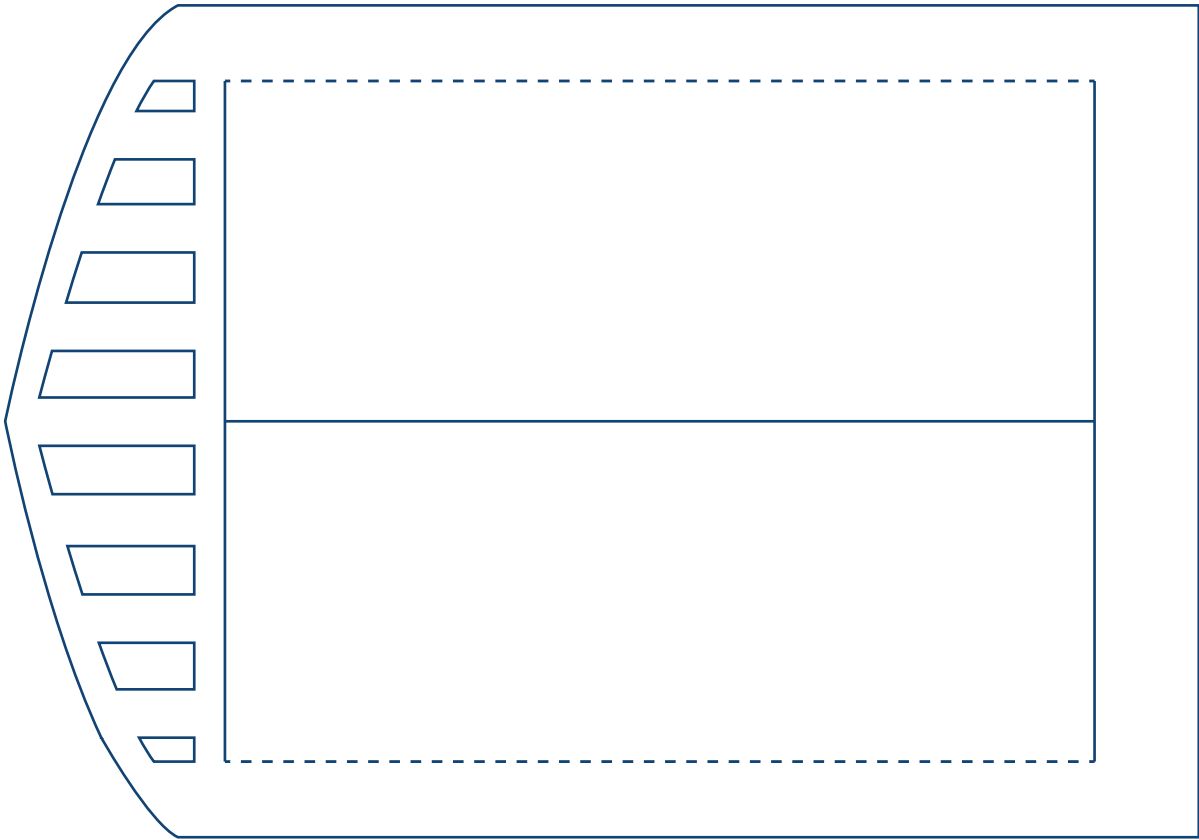

7. Create a cluster of paper flowers and stick paper flowers onto the left bottom and right top corners. Finish with pearls.
