**4** Cut a mat from the same paper design 5.75inch by 2.75inch and stick to the folded front of the card.

**5** Mat one of the toppers onto a piece of white card that is 0.25inch larger than the topper all the way around to create a mat.

**6** Mat one of the papers onto the white mat 0.25inch larger than the mat.

**7** With foam pads stick the matted topper onto the front of the card and add the elements and sentiments.

**8** Cut 2 x 1inch strips of paper and crease every 0.5inch. Fold forwards and back to create a pleated border.

**8** Add glitter for that finishing touch.
