

Noodle Box

1. Using the Noodle Box die set, cut two box bases from your chosen cardstock.

2. Mountain fold along all the score lines as shown.

3. Mat the tabs from one box base onto the other starting with the base tab and side tab.

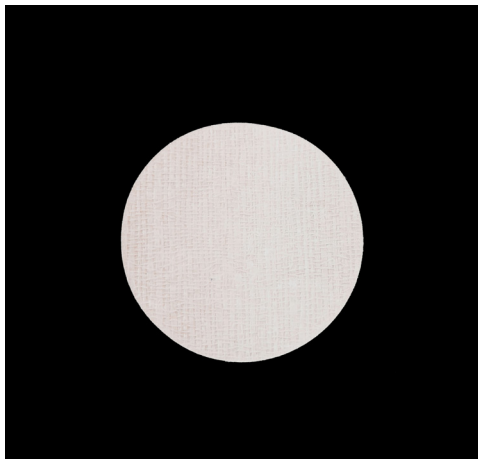

4. Mat the remaining tabs onto the corresponding side to create the box shape. Carefully slot the two lid pieces together to secure the lid in place.

5. Cut the decorative dies from your chosen cardstock or colour with pens. Mat onto the outside of the box. Tie a double loop bow from ribbon and match onto the lid.

Fortune Cookie

1. Using the Fortune Cookie die, cut one from cream cardstock. Ensure the cardstock is no more than 120gsm.

2. Gently bend the circle in half to create the shape of the Fortune Cookie as shown. Cut out your chosen sentiment or fortune and insert into the fortune cookie.

3. Add wet glue to the edges of the fortune cookie and mat together. Gently push in the middle of the fortune cookie and crease the fold to create the desired shape as shown.

4. If you would like an opened Fortune Cookie, gently tear the Fortune Cookie in half to reveal the sentiment of fortune.
