

PATTERNED ROCKING HORSE DIE CUTTING INSTRUCTIONS

Step 1

Print out the patterned Rocking Horse design of your choice, onto your chosen cardstock.

Step 2

Take your Rocking Horse Tattered Lace™ die and position into the centre of the printed design.

Step 3

To get an accurate cut, hold in place with low tack tape.
You are now ready to put your die through your chosen cutting machine.
(Making sure that the die is flat side down on your cutting plates.)

Step 4

Carefully remove your die from the cardstock and remove any excess cardstock with a pokey tool.

Now you have your patterned Rocking Horse die cut.
