

# Pocket Journal

1. Cut the card shape die from your chosen cardstock.

2. Valley fold along the score lines.

3. To create pages for your journal cut several of the largest rectangle mats with the ribbon hole dies.

4. Thread ribbon through the holes and tighten to secure the pages together.

5. Mat the pages in the journal along the ribbon edge.

6. To create a gusset or large pocket cut the shown die and accordion fold along the edges. Secure to your journal using the three tabs.
