

Precious Pleats Card Shapes

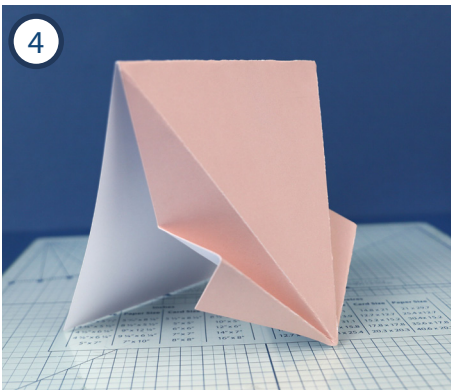

Cut the card shape from your chosen cardstock.

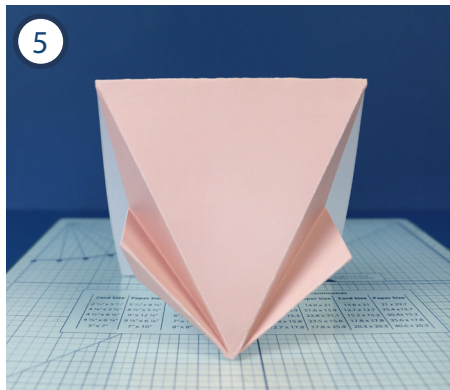

Fold along the horizontal score line to create a tent card as shown.

Alternate mountain and valley folds on one side of the card to make the collared edge as shown.

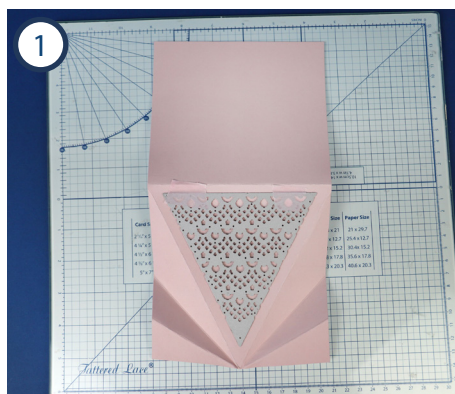

Repeat for the other side of the card.

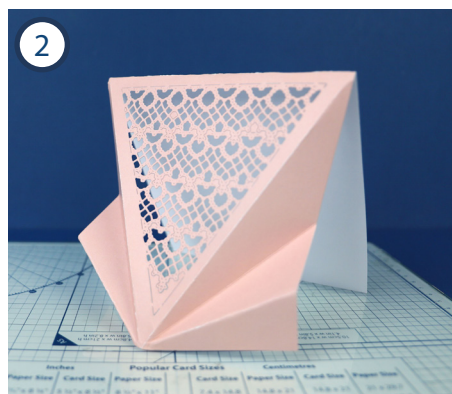

Secure the pleats or leave loose as desired and decorate.

Precious Pleats Card Shapes

For a see-through card front, place the panel die into the centre and secure.

Cut to create a patterned aperture.
