

Pumpkin Cushion

What You Will Need:

- Pumpkin Template
- Orange Felt
- Black Felt
- Green Felt
- Orange Embroidery Thread
- Black Embroidery Thread
- Green Embroidery Thread
- Loose Fill Toy Stuffing
- Pins
- Needle
- Scissors

1. Cut out the pumpkin template and pin to 2 x 21cm x 30cm pieces of orange felt.

2. Cut around the template using fabric scissors.

3. Cut the stalk template out and pin to 2 pieces of green felt and cut around it. The stalk will be added into the cushion later.

Linen & Lace™

4. Stitch 2 lines of backstitch down the face of the pumpkin using orange embroidery thread to give the impression of ridges.

5. Cut the facial features from black felt using the templates provided. Pin in place and stitch onto the pumpkin face with a simple running stitch.

6 Pin both orange pumpkin pieces together, right sides facing out. Stitch them together using backstitch, leaving a 4inch gap for adding stuffing. Leave the gap at the top of the pumpkin the stalk to be added later. Fill the pumpkin with loose fill toy stuffing until you achieve your required firmness.

7. Stitch both of the green stalk pieces together using blanket stitch and stuff the stalk with loose fill toy stuffing.

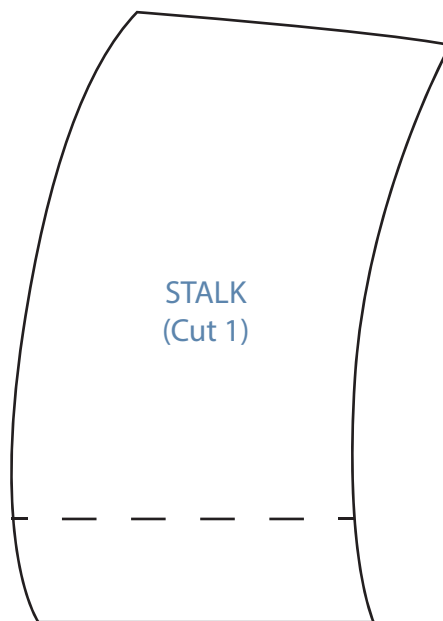

8. Stitch the stalk in place with orange embroidery thread to complete the cushion.
