

Twist & Pop Card

1. Using the Twist & Pop die set, cut the base card and pop up once from your chosen cardstock.

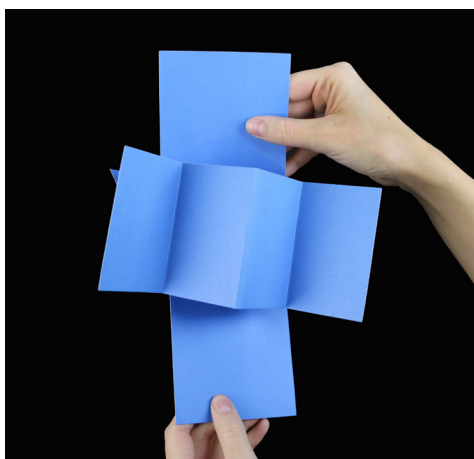

2 Valley fold and mountain fold along the scorelines of the base card to create a pointed tent card.

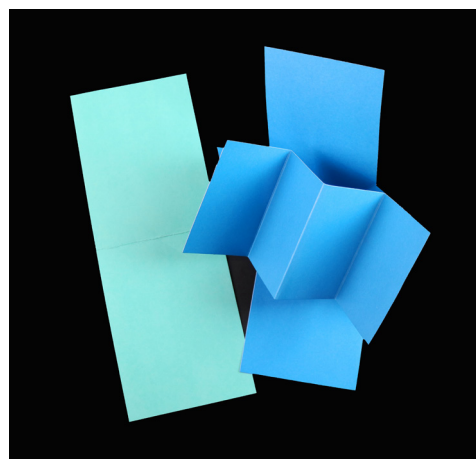

3. Valley fold and mountain fold along the scorelines of the pop up to create a concertina effect as shown.

4. Open up the folded tent card and attach tape to the bottom panel of the tab on the left, and the top panel of the tab on the right as shown.

5. Using the folded pop up, line up the centre scoreline with the centre of the base card and mat onto the two taped areas of the card. Gently lift the centre fold of the pop up to ensure the card closes easily.

6. Your Twist & Pop Card is now ready to decorate, however should you not want a pointed tent card, simply mat the card base inside another tent card of your choice as shown.
