

Vintage Handkerchief Craft a Card

1. Using the Vintage Handkerchief Craft a Card die set, cut one base card from your chosen cardstock.

2. Cut into the left end of the card base with your chosen decorative frame. For example, Frame 2. Then score and fold to create a card shape.

3. Using the nested frames and embellishments in the Vintage Handkerchief Craft a Card die set, cut from your chosen colours and decorate the card. For example, mat Embellishment 1 onto one of the frames and mat onto the card.

Here's a little more inspiration to show different ways of using the Vintage Handkerchief Craft a Card die set.
