You will also need glue

What you need to do:

1 Use a white 12inch square card, cut a piece 12inch by 3inch and crease it down the middle.

2 Cut out a topper and some elements from one of the designs.

3 Cut a mat from one of the paper designs 5.75inch by 2.75inch and stick to the front of the card.

4 Using foam pads attach the topper and elements to the front of the card.

5 Finish off with some glitter for that extra bit of sparkle.

Top Tip

Back the topper with card to give it more substance.
